

# TALKING ABOUT SUPERSTITIONS

1) Nicole believes in 3 superstitions. Read the text and then tick (✓) them in the box below.

**Interviewer** Nicole, are you superstitious?

**Nicole** Yes, a little bit. If a black cat crosses the street in front of me, I'll turn round. And if I see a ladder, I'm not going to walk under it. Well, and I'm careful with mirrors. I don't want to break one.

**Interviewer** Do you think a broken mirror means bad luck?

**Nicole** Yes, that's right.

**Interviewer** What about the number 13? Do you think it brings bad luck, too?

**Nicole** No, I don't think so. I think 13's a lucky number.

**Interviewer** What if you see a spider in the house?

**Nicole** I don't think spiders bring bad luck.
