Good evening, sir. How are you?

Great, thanks.

A table for one, please.

Over here, please, sir.

Can I have a menu, please?

Certainly. Here you are.

Thank you.

I'll be back in a minute to take your order.

Are you ready to order?

Yes, I am.

Would you like a starter?

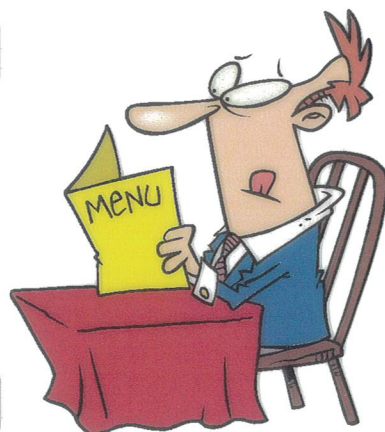

Yes, please. I would like the mushroom soup.

What would you like for main course?

Could I have the ham and pineapple pizza?

Of course. What size?

I'll have a medium one, please.

Can I get you anything to drink?

I would love a milkshake. What flavours do you have?

We have chocolate, banana, strawberry and vanilla.

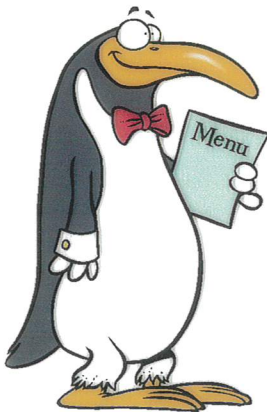

I'll take the banana shake, please.

Anything else?

I'm okay for now, thanks.

I'll be right back with your drink.

Thanks.

Here is your starter.

Thank you.

How was your milkshake?

Delicious. I'd like another one, please.

Just a moment.

How was your soup?

It was a bit cold.

I'm very sorry about that.

Never mind.

I'll be right back with your main course.

Excellent.

Here is your ham and pineapple pizza.

Wonderful, thank you.

How was your pizza?

It was very nice.

Would you like anything else? A dessert, perhaps?

No, thanks. Can I have the bill, please?

Sure, here you are. It's £ 27.40.

Would you like to pay cash or card?

I don't have enough cash on me -
would credit card be OK?

Of course.

Here is your receipt.

Thank you.

I hope you had a nice evening.

Oh, absolutely. Bye!

Good bye! See you again soon.
